## 1. Class/Seminar Teacher Evaluation

This survey requests your feedback on two separate aspects of your learning experience, split into three sections. The first section asks for your views on your teacher's class/seminar teaching. The second section (overleaf) asks for your views on the course as a whole *at this point in time*. Finally, the third section asks for some information about you, to aid analysis.

Your responses will be used to identify areas of good practice. They will also be used to help improve the teaching and learning experience for you and your peers. Please complete the survey thoughtfully and constructively, marking one box for each question unless indicated otherwise.

Please rate your class/seminar teacher on the points below using the following scale:  
(1 – very good, 2 – good, 3 – average, 4 – poor, 5 – very poor, not applicable)

1.6) Provided helpful feedback on your work/performance

1.7) Improved your understanding of the course material

1.8) Please rate your own contribution to classes/seminars using the same scale

1.9) In general, how satisfied have you been so far with the class teaching on this course by this teacher?

1.10) Please write below aspects of this teacher's class/seminar teaching that you think could be improved and/or aspects that were particularly helpful.

- More feedback on homework
- Try to go through more of the problem sets in class

I think those examples he gave in classes helped me a lot in understanding the materials.

Great classes!

He's very good at explaining the model in ways that I can follow easily!!! very clear & explanations.

~~Sometimes not~~

Entire problem set not usually covered

- could have shorter class introductions

It would be better if we complete the entire problem set in the class.
