Question text

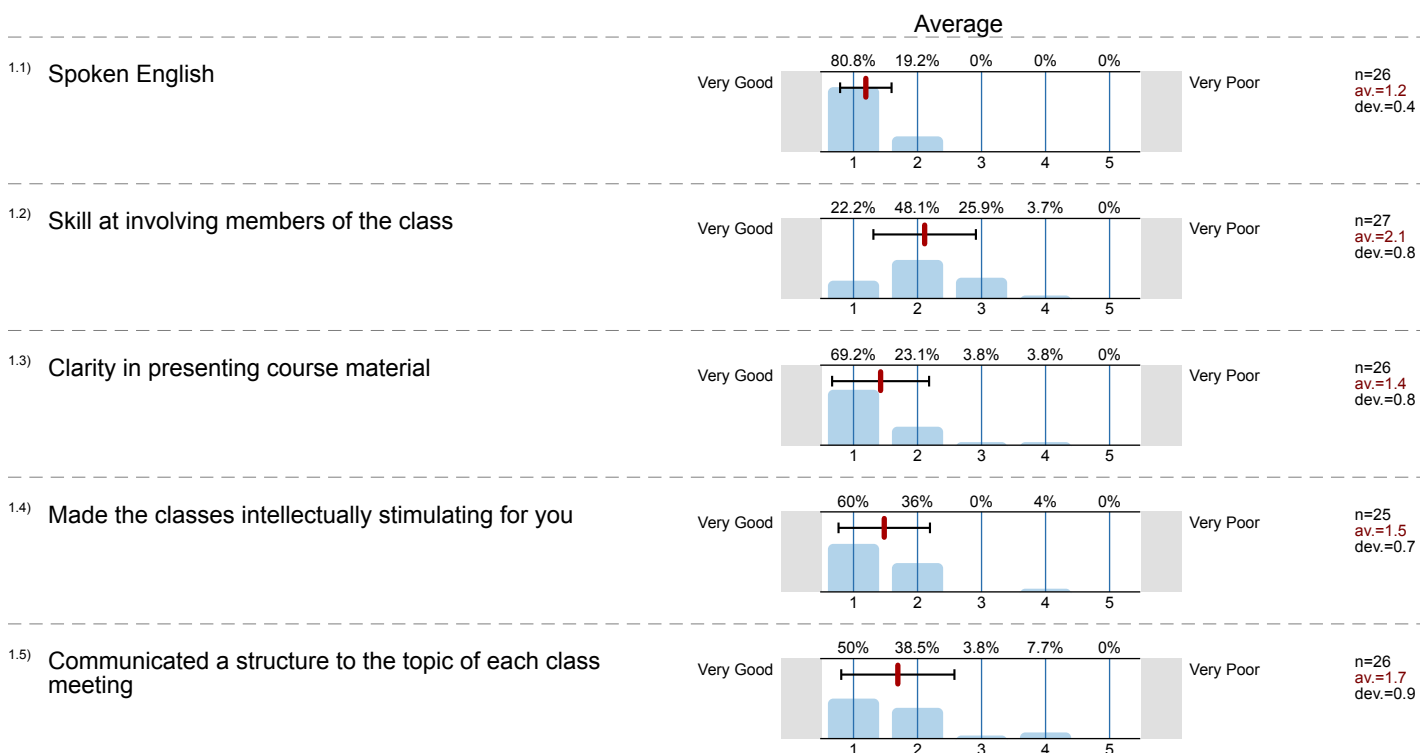

1. Class/Seminar Teacher Evaluation

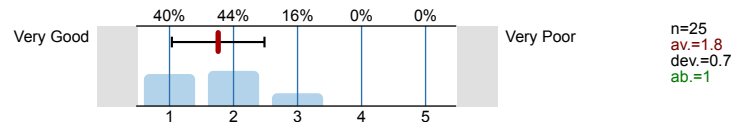

This survey requests your feedback on two separate aspects of your learning experience, split into three sections. The first section asks for your views on your teacher's class/seminar teaching. The second section (overleaf) asks for your views on the course as a whole *at this point in time*. Finally, the third section asks for some information about you, to aid analysis.

Your responses will be used to identify areas of good practice. They will also be used to help improve the teaching and learning experience for you and your peers. Please complete the survey thoughtfully and constructively, marking one box for each question unless indicated otherwise.

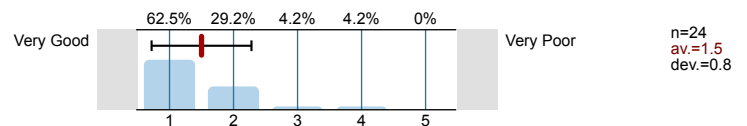

Please rate your class/seminar teacher on the points below using the following scale:
(1 – very good, 2 – good, 3 – average, 4 – poor, 5 – very poor, not applicable)

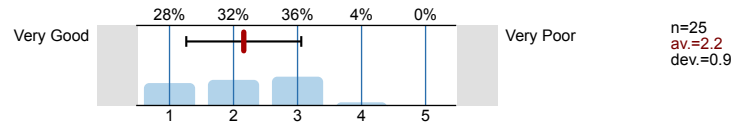

1.6) Provided helpful feedback on your work/performance

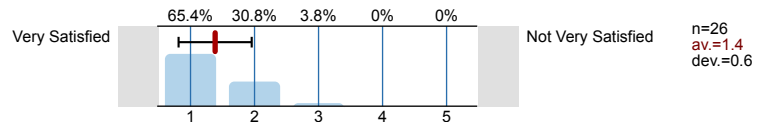

1.7) Improved your understanding of the course material

1.8) Please rate your own contribution to classes/seminars using the same scale

1.9) In general, how satisfied have you been so far with the class teaching on this course by this teacher?

1.10) Please write below aspects of this teacher's class/seminar teaching that you think could be improved and/or aspects that were particularly helpful.

More class involvement in answering questions.

Using ~~the~~ diagrams to explain models, really helpful.

Concepts/models very well explained

- Very satisfied with the time and effort Davide dedicates to his Office hours.
- His explanation is particularly helpful and he has improved my understanding of the intuition of ~~the course~~ certain concepts.

Clear presentation of material

Good understanding.

Could ask more conceptual questions.

Great & clear explanations!

Very helpful that you teach the topics (rather than just go through the questions) when it is more difficult to understand.

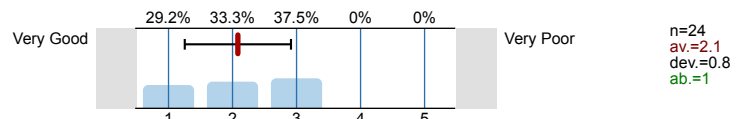

I personally think David is the best class teacher I've ever had in my past 3 years at the LSE.

Good class teaching method!

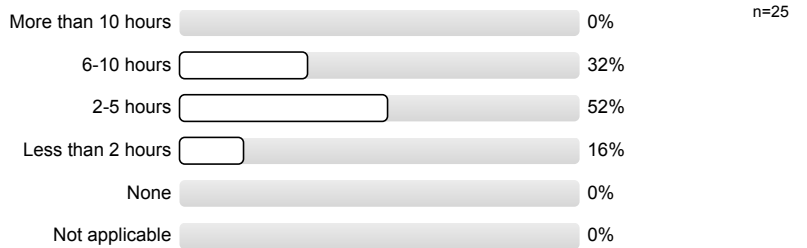

more thoroughly go through problem set

Second term feels like a repeat of EC210.

More contact hours needed

Great lecturer!

- Seems to be very big disconnect between lectures & problem sets.
- Having said that lectures are interesting

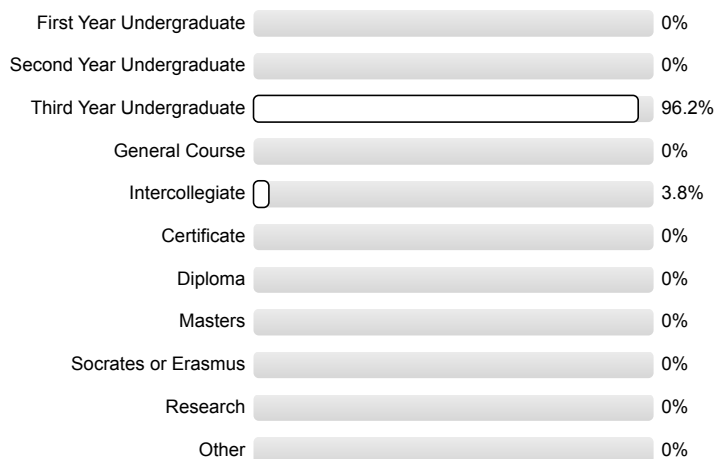

More real life examples and references ESPECIALLY IN MICHAELMAS TERM!

- We could discuss / talk about the readings more.
- It seems like there are no diversity of words discussed.

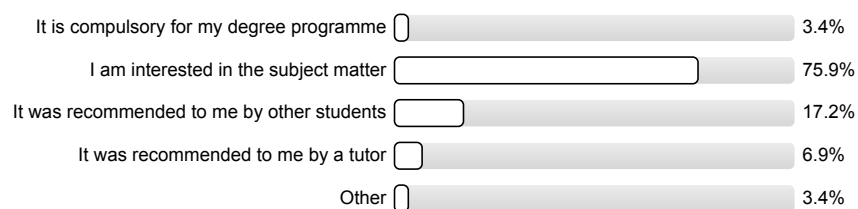

Interesting course!
